*Actual raw cut scores may vary slightly from form to form. The average is based on all active forms.

**Complete is defined as a full and complete scorable response that must address the specific requirements of the item, be of sufficient length to respond to the requirements of the item, be original work and written in the candidate's own words (however, candidates may use citations when appropriate), and conform to the standards of written English.

For test code 085, an examinee must attain at least the raw cut score and a score of 3 or more on the case study assignment to pass.
