

Figure: 26 TAC §745.485(c)

If:	We will not renew your permit:
(1) We are in the process of revoking your permit,	<p>Unless:</p> <p>(A) The revocation is overturned, and due process is complete; or</p> <p>(B) We withdraw the revocation.</p>
(2) Your permit is presently suspended, or we are in the process of suspending your permit,	<p>Unless:</p> <p>(A) At the end of the suspension period, we determine that you:</p> <p style="padding-left: 40px;">(i) Have resolved each issue that was a reason for the suspension; or</p> <p style="padding-left: 40px;">(ii) Can resolve any remaining issue through the implementation of a voluntary plan of action or corrective action plan; or</p> <p>(B) The suspension is overturned and due process is complete, or we withdraw the suspension.</p>
(3) We recommend or impose a voluntary plan of action or a corrective action plan,	<p>Unless:</p> <p>(A) You begin the voluntary plan of action or corrective action plan;</p> <p>(B) We determine the plan of action or corrective action plan is unnecessary; or</p> <p>(C) The recommendation for a corrective action plan is overturned during the administrative review.</p> <p>Note: If you fail to correct any deficiency by the required compliance date, we cannot renew your permit before you correct the deficiency, unless the deficiency is pending due process during your timeframe to renew your permit.</p>
